Core Residential Shelters In Cyclone Sidr affected districts

Project Value: US \$ 1,785,832.36

The construction of Core Residential Shelters In Cyclone Sidr affected districts of Barguna (426 Shelters), Bagerhat (265), Patuakhali (222 Shelter) & Pirojpur (337 Shelters), Districts being financed by International Federation of Red Cross & Red Cresecent Societies.

Majher Char Village Revitalisation Project

Project Value US\$500,000

The project comprises essential infrastructure, core domestic shelters and livelihood support for a village of 170 families in the Pirojpur area of Barisal Division.

MDM designed the core shelters, which were required to be above the maximum flood level; withstand winds of up to 150kph; be easily maintained by the inhabitants of a geographically isolated char community; and provide improved levels of domestic comfort.

MDM was involved in all facets of this diverse project, including community consultation, the tendering process for contractors, and the overseeing of construction quality.

Medecins Sans Frontreies Diarrhea Centre, Dhaka

Project Location: Dhalpur, Dhaka.

Project Construction Duration: 3 weeks.
